

Fuego

SmartStation Cordless

Advanced engineering meets cutting-edge design...

The new Fuego *SmartStation Cordless* series gives your hotel guests the freedom to make and receive calls from anywhere in their room or suite. This is the ultimate in convenient, stylish hotel technology.

Designed to address the needs of premium hotels who want to give their guests a first class technology experience, the SmartStation Cordless combines all the standard hospitality phone features with digital cordless technology and stunning timeless design. Built to handle years of daily use without losing its pristine looks, the SmartStation Cordless is a smart investment reliably ensuring you and your guests stay connected.

THE HOTEL PHONE HAS EVOLVED.
